Before we begin I would like to remind all participants, that while I should feel deeply honoured that some might feel so inspired by the content, recipes and other tools and resources found in this program, that some might want to share it with all their friends and family, I would like to take this opportunity to gently remind you that everything contained in the Fresh Life Internal Makeover is copyright protected.

This program has been, and continues to be, a labour of love for me. I have poured thousands of hours of my time, and tons of my give-all energy, into this Program, and it would be not only be devastating to my livelihood, which is what I need to support and continue my work, to bring you more and more amazing content, over the lifetime of your participation in this Program, it would be just as devastating to have my work given away for free, for others to take advantage of or at worst, to use and copy my hard work and creativity, and ultimately my life's work, and make earnings off the back of all my hard work.

Please respect that no part of this Program may be shared, given away or copied in ANY way, shape or form, for ANY reason.

I would of course, love you to share your experience with other's, and encourage those you feel would benefit from the content of this program, to come sign up, and join The Fresh Life Internal Makeover Journey themselves.

There is also lots of amazing, free content on freshlifejourneys.com to share, and please do tell your friends and loved ones about my Free 3 Part Video Series which they are more than welcome to enjoy and gain benefit from, with compliments from me.

I know you already know how much value The Fresh Life Internal Makeover Program offers, which should make it easy to convince those who you would like to see join, and be on this journey with you, to sign up! The lifetime access all participants have to The Fresh Life Internal Makeover Program, ensures that the investment needed to join and take advantage of the content, is a small price to pay for the benefits you will get to enjoy now, and in years to come.

Thank you for letting me share this very important copyright notice, and I thank you for respecting that it's important for me to be clear that I take protecting all my hard work, very seriously.
